MEMORANDUM FOR THE RECORD	
Subject: Availability of Secure	Area Soace in Federal Records Center
1. Messers	today with Paul Bishop,
Chief, FRC, Alexandria, Virginia	and Gordon Williams, Branch Chief,
in the Center, to discuss availab	ility of storage space for secret and
below material. We were assured	that the Center, with a few days notice,
could accept 5,000 mints foot II	that the center, with a few days notice,
court accent >,000 cubic reet. Me	then toured the Center's secure area
on the fourth floor of Building #1	1. This floor is secured at the elevator
exits with wire partitions and doc	ors. Elevator and entry doors are
locked with padlocks. Entry is re	estricted to algered names and a
